

Church on Fire: **I See You are Religious in Every Way** Life Group Discussion Guide for November 11, 2018

1. What is your favorite Thanksgiving tradition?
2. Read Acts 17:16-34. What stands out to you most from this passage? Why?
3. In what way did Paul engage with the culture of the people of Athens? Why was this important?
4. How can we faithfully engage with our culture today? What good can we call out in our culture as a way to share the good news? Why is this important?
5. Some mocked Paul, some were curious, and others believed. Are we ok with being mocked for our beliefs? Do we believe that the message of the cross and the resurrection can change lives? How has it changed your own?
6. Spend time in prayer, asking God to give us eyes to see how we can witness to our culture about the life-changing story of Jesus' resurrection. Pray for the courage to be bold.
