Life Group Discussion Guide for
January 20, 2018

1. What's the best job you've ever had?
2. Read Ephesians 2:1-22. What stands out to you most from this passage? Why?
3. How does this passage shape our identity?
4. How does work intersect with the Kingdom of God? Do you tend to view your work (whatever it may be) as giving glory to God?
 - a. If so, share with the group what this looks like for you.
 - b. If not, share with the group the details of your work and have your life group speak into how what you do glorifies God and God's kingdom?
5. Spend time together in prayer, thanking God for the work that we have been given to do. Pray for each person in the group that they may glorify God in all the work that they do.
