

Church on Fire: Are You in the Crowd or a Disciple?

Life Group Discussion Guide for
September 2, 2018

1. What would the title of your biography be?
2. Read Acts 2:14-47. What stand out most to you from this passage? Why?
3. What is Peter saying about Jesus and how the Spirit has been working throughout scripture here? Why is this important?
4. In the Pentecost story, the crowd experiences something, then they respond based on the experience, and that response, for many, becomes a lifestyle (Holy Spirit >> repentance and baptism >> sell possessions and share life together). How does your Christian life reflect your experiences with God?
5. What we do matters less than why we do it. Do you think this is true? Take some time to examine what you are doing in your life (parent, occupation, volunteer, etc.). Why do you do it? Share with the group your "why".
6. Spend time together in prayer, thanking God for for God has been working in the world from the beginning and how God continues to work now. Pray that we would be the kind of church that responds to our experiences of God by seeking love, justice, and mercy.
