

1. All Adult Staff are required to read, sign and abide by the Child Protective Policy (CPP) and have successfully passed a standard background check
2. Otter Creek Christian Camp does not permit parents, relatives, friends, siblings, future campers, etc. to visit camp due to our child protective policy and the size limitations/restrictions that camp Hy-Lake and Latimer have established. Exceptions to this policy are made for a camper's baptism.
3. If your child desires to be baptized at camp, we ask that you contact Merritt Rowe in the church office for scheduling purposes.
4. Campers arriving late must be approved by the director and must arrive at camp by the first breakfast of their camp session. Campers intending to arrive after this point must be approved by the director and will be handled on case by case scenario and only in extenuating circumstances (sporting events or vacation would not be considered).
5. Campers are expected to stay for the entire duration of their camp session. Requests to leave early must be submitted to the director prior to the start of camp. Campers must check out with the director prior to departure. Campers are not allowed to return to camp once they have been dismissed. Exceptions for funerals, medical emergency and sickness will be evaluated on an individual basis.
6. Campers who leave for medical reasons must be cleared by the camp medical doctor in order to return to camp.
7. Campers attending Senior Camp are permitted to have their cell phones; however, it is our expectation that they will not be a distraction at camp. For our younger campers attending Junior Camp, cell phones are not permitted. If you need to communicate with your child while at camp, we ask that you contact the director or a ministerial staff member.
8. Campers are not permitted to drive to camp. Exceptions to this transportation policy will be evaluated on an individual basis by the director when made in advance.
9. Otter Creek will make every effort to see that all applicants are able to attend camp. In the event that registration reaches capacity, priority will be given to active Otter Creek Children's and Youth Group members first.
10. Scholarships are available through an application process. For more information, please visit <http://ottercreek.org/ministries/camp/>
11. Campers are expected to abide by the rules of camp. Failure to do so can result in a camper's dismissal from camp. Should a camper be dismissed from camp, it will be the parent's responsibility to provide transportation.
