WILDERNESS AT THE SMOKIES

This winter (2018) the OCYG middle school will celebrate it's winter retreat at WILDERNESS AT THE SMOKIES in Sevierville, TN.

WILDERNESS AT THE SMOKIES is an astonishing place (though a little humid) featuring an indoor water park, indoor ropes course, huge arcade, and many other things that border on the incredible! Last year's trip to this exact location was mind-blowingly amazing.

We have our own conference room where we will gather for worship and community time while on this trip. Space is limited on this trip due to our transportation rentals and rooms reserved, and I need plenty of adults to make it happen. So sign up soon! We will also be taking a team of High School students to serve as leaders as well.

Students will be in 6 person rooms, with 2 adults in each room. So we need a lot of adults to make this happen!

ABOUT THE COST

I know that seems like a ton of cash, but here's what it pays for:

- two night resort lodging
- all stay pass to Wild Water Dome (indoor waterpark)
- weekend Adventure Pass for the Adventure Forest (includes unlimited ropes course, mini-golf, lazer maze and other adventure attractions for free. Arcade and Lazer tag will cost extra.)
- transportation in over-the-road coaches
- Winter Retreat giveaway (we always send them home with some article of clothing to represent the trip)
- Exciting time making memories
- Dynamic worship and community time
- Saturday night dinner (students will pay for Friday dinner, Saturday lunch and Sunday lunch. We suggest sending breakfast foods (Poptarts, etc. for each morning. Rooms have refrigerators and microwaves.)
