

## when you PLAY

Compare “real” and “pretend” things, such as play food and real food, dolls and real people, stuffed animals and pets, Talk about ways God shows us that He is real.

When asked if we believe in God, most of us would readily answer “yes”. But when we are faced with hard situations, living like we believe God will do what He said isn’t so easy. We believe God will provide, but that is put to the test when job situations are uncertain. We believe God will help us to forgive, but it seems impossible when we’re faced with betrayal in a relationship.

I hope this month’s preschool stories will also encourage you. This month we celebrate the resurrection, the ultimate victory! I pray that your belief will be stronger as you remember these times that God showed up, and revealed that He really is who He says He is.

## when you DRIVE

Sing along to praise music, that gives glory to God for who He is. One of our Preschool Praise favorites is Jana Alayra’s “He is God”, a fun song that reminds us that God is the one true God.

## when you RELAX

In some of our stories this month, people did not want to obey God. Pray with your child that God will give Him a heart that wants to obey.
