

when you PLAY

This is a good time to purchase or borrow a set of "resurrection eggs". Go through each egg with your child, and talk about how each item relates to the story of Jesus being alive forever!

This month is the beginning of the story that is the crux of my belief— Easter Sunday. What a glorious story for us to be able to share with our children. The first week we will talk about Paul and Silas, continuing our story of the early church. Then, starting March 11, we will begin a four week section about Jesus' final days, culminating with His resurrection as we celebrate it on April 1.

The resurrection is a source of great hope. Despite all the suffering and wondering why tragedies happen, we know that God reigns. Death is defeated. We don't understand this world. We see suffering that makes no sense. But we do know this: God is in control. He has defeated death. When every thing around us seems uncertain, His purposes and promises are sure. Hallelujah—He is Risen!

when you DRIVE

No matter where you are this month remind your child that Jesus is alive and always with us. In the car, ask "Is Jesus with us in the car?" At the park, ask "Is Jesus with us when we play?" Use these opportunities to review this month's memory verse.

when you RELAX

Talk about how Jesus has shown His love for every person. Pray and thank God by name for the way He loves each person in your family. Let your child also pray and thank God for the way He loves each of their friends.

MEMORY VERSE

And you can be sure that I am always
with you, to the very end."
